## TIMELINE OF EVENTS

4 key events in India's political history changed the face of Tulshibaug. All these events brought with them infrastructural and policy level changes.

1. Third Battle of Panipat
2. British Rule & Administration
3. Independence from Colonial Rule
4. Liberalisation of the Indian Economy

1762

Sardar Khire builds **Tulshibaug Ram Temple** on land donated by the Khasgiwale family to raise the spirits of Pune citizens after the disastrous loss at the Third Battle of Panipat.

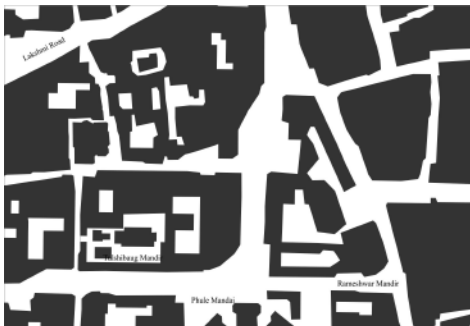

1882

The British administration constructs **Reay Market** as a central retail and wholesale market to the south of Tulshibag Temple. Transforms the area into a commercial zone.

1952

Diwan Bahadur Godbole proposes to develop a nearby street called **Laxmi Road** into a commercial hub.

2005 onwards

Post liberalisation of the Indian economy, India sees a burst in economic activity. With that comes an increase in vehicle ownership. Roads are widened and multistorey parking lots are built which nonetheless fail to cater to the **burgeoning vehicular traffic**.
